Business Center

Center Definition

The Statistical Development Center is a technical center aimed at providing professional training, consultations, and evidence-based statistical services to all those working in the fields of collecting, producing, and disseminating official statistics.

Services

Statistical Services

Providing a comprehensive range of specialized services in the statistical field, through the execution of statistical projects while ensuring the achievement of accurate and reliable results.

Consultations

Providing statistical consultations to review methodologies, sample design, questionnaire and form design, and to collect and analyze data (quantitative and qualitative) for research projects.

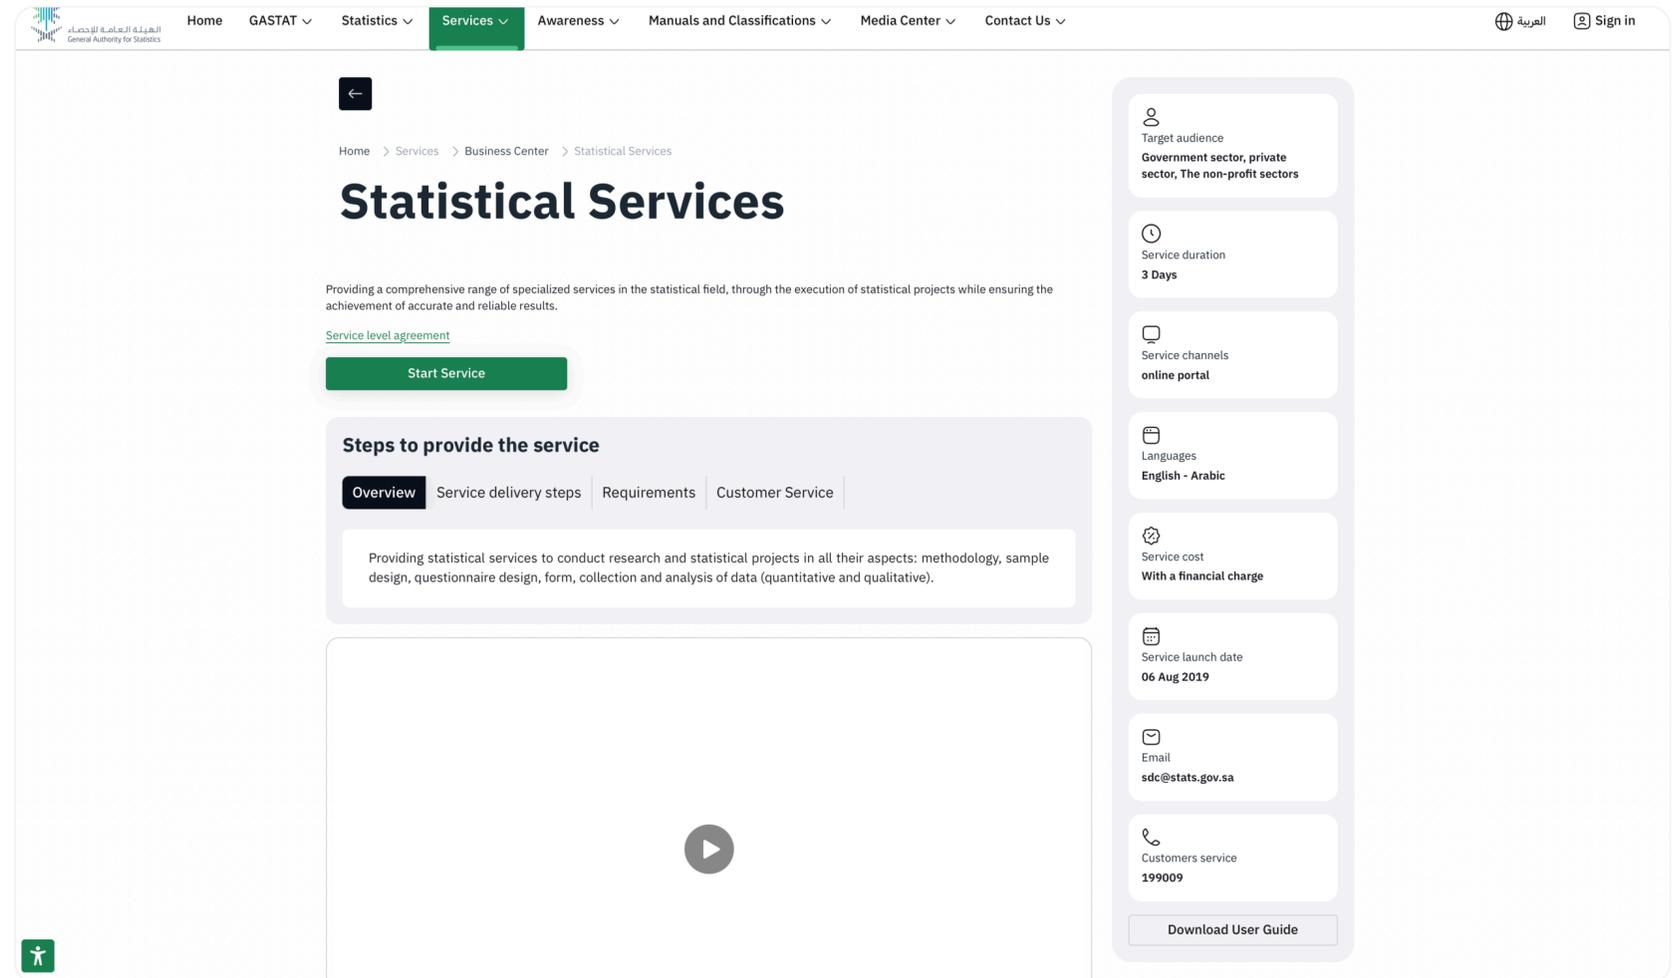

Training

The center provides training programs for statisticians, economists, and data scientists who aspire to continually enhance their skills and provide successful outcomes.

Are You Satisfied With The Content Of This Page?

To request the service of (Statistical Services):

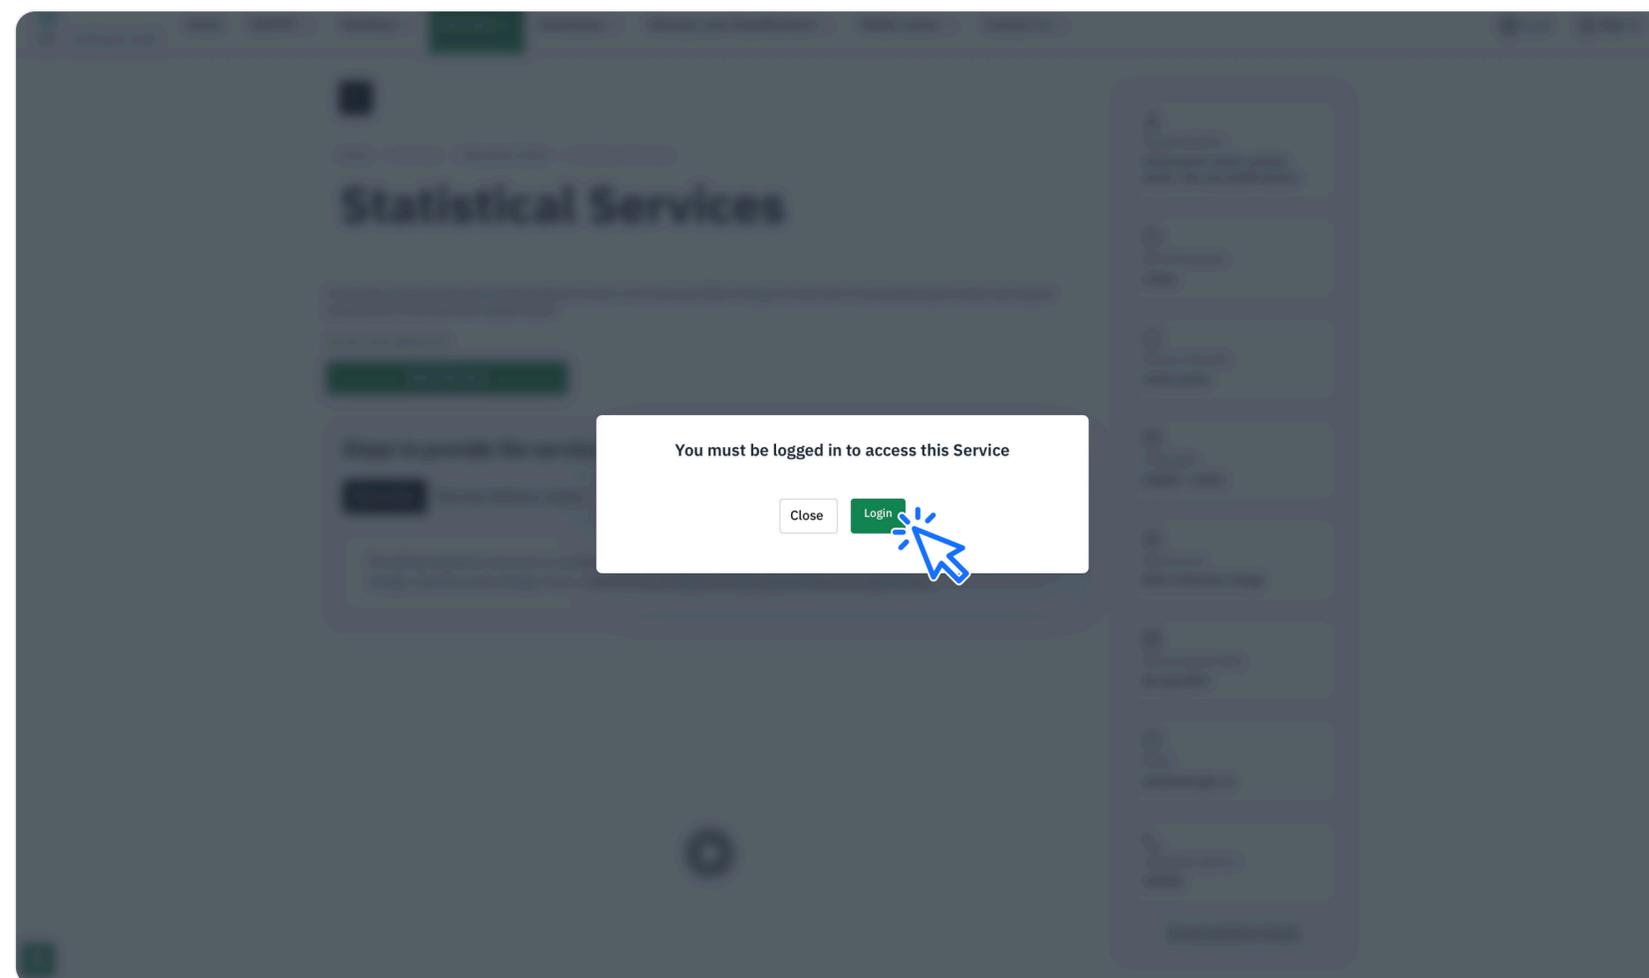

- Click (Start Service) icon.

The screenshot shows the 'Statistical Services' page on the GASTAT website. The page features a navigation menu at the top with 'Services' highlighted. The main content area includes a breadcrumb trail (Home > Services > Business Center > Statistical Services), a title 'Statistical Services', and a description: 'Providing a comprehensive range of specialized services in the statistical field, through the execution of statistical projects while ensuring the achievement of accurate and reliable results.' A green 'Start Service' button is prominently displayed. Below this, there is a section titled 'Steps to provide the service' with tabs for 'Overview', 'Service delivery steps', 'Requirements', and 'Customer Service'. The 'Overview' tab is active, showing a description: 'Providing statistical services to conduct research and statistical projects in all their aspects: methodology, sample design, questionnaire design, form, collection and analysis of data (quantitative and qualitative).' A video player is visible below the text. On the right side, there is a sidebar with key service details: Target audience (Government sector, private sector, The non-profit sectors), Service duration (3 Days), Service channels (online portal), Languages (English - Arabic), Service cost (With a financial charge), Service launch date (06 Aug 2019), Email (sdc@stats.gov.sa), and Customers service (199009). A 'Download User Guide' button is located at the bottom of the sidebar.
