

الهيئة العامة للإحصاء
General Authority for Statistics

Number of monuments and number of visits 2014-2018

Definitions and concepts

Introduction

Statistics of monumental, heritage, and historical places are one of the main cultural indicators than are required locally, nationally, and internationally. GaStat has started collecting related data from their sources.

Description

Presenting the numbers of monumental, heritage, and historical places and changes in the numbers of visitors during the past five years.

Data source

Saudi Commission for Tourism and National Heritage.

Data periodicity

One year.
