Layers specialized farms in the Kingdom 2021

The total number of table eggs produced in the Kingdom's layers specialized farms was 5,382 million. Percentage of sold layers reached 96.2%. Riyadh region ranked first with 40% of the total table egg produced in the Kingdom in 2021 (Figure2).

Figure2: Total number of produced table eggs (Million eggs)

Cows specialized farms in the Kingdom 2021

The total quantity of raw milk produced in the Kingdom's cow specialized farms was 3 billion liters in 2021. Riyadh region ranked first with 1.7 billion liters of raw milk produced and a percentage of 57% of the total quantity of raw milk produced in the Kingdom's cow farms.

Fish farming specialized farms in the Kingdom 2021

The total production of fish in the Kingdom's fish farming specialized farms was 89.5 thousand tons. Shrimp production was the highest at 67.7 thousand tons (75.6 %), followed by tilapia with a production amount of 14.5 thousand tons and European Seabream production with an amount of 3.2 thousand tons.

Fodder used for specialized agricultural projects in the Kingdom in 2021

The quantity of fodder used in the broiler's farms amounted to 2,505 thousand tons with a value of 3.3 billion SAR, and the fodder used in layers farms amounted to 2,408 thousand tons with a value of 3.2 billion SAR. However, the quantity of fodder used in cow farms amounted to 1,169 thousand tons, with a value of 1.2 billion SAR, whereas the fodder used in fish farming specialized farms amounted to 122 thousand tons with 172 million SAR.

Number of specialized agricultural projects

The total number of broilers specialized farms in the Kingdom was 398., whereas fish farming specialized farms recorded 68 farms. However, cow specialized farms amounted to 33, and layers specialized farms recorded 140 in 2021 (figure3).

Figure3: Number of specialized agricultural projects

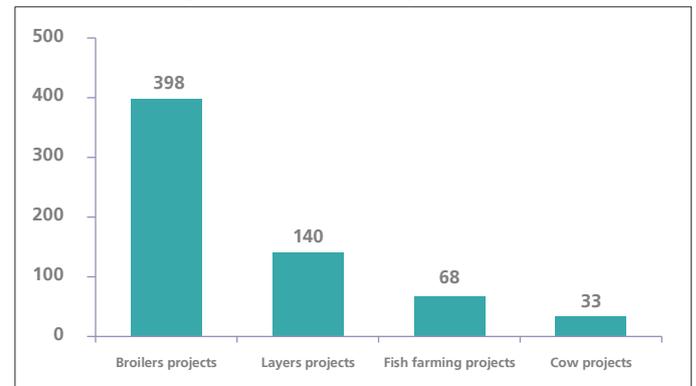

Table1: Key indicators of the specialized agricultural projects survey 2021

Main indicators	Unit	Quantity, number and value
Number of cows in cows specialized farms	Number	414,990
Quantity of raw milk produced in cows specialized farms	billion liters	3
value of broilers sold production	Billion SAR	9.8
Value of table eggs in layers farms	Billion SAR	2.7
Quantity of fish production in fish farming specialized farms	Thousand tons	89.5
Value of sold chicks in Hatchery projects	Billion SAR	1.5
Quantity of fish production in fish farming specialized farms	Number	6,383
Quantity of fish production in fish farming specialized farms	Ton	819
